CASSANDRA CALOGERA

NATURAL BABE UNLEASHES HER INNER SLUT...

Thinking she was only doing the shoot as a sexy way to release her inner tigress, Cassandra starts soaking her pretty panties with her pussy juice, and when she moves the fabric to the side, she's pleasantly surprised to visibly see her petals pulsating and watching her swollen nubbin grow to the size of a sweet cherry.

"Mmmm…I can't believe it. I'm going to cum soon," she says, rubbing her clit, making sure the small waves in her belly begin to rumble.

"Oh, fuck! I hope I can get rammed on camera one day!" She growls, plunging her musky digits in her torrid tunnel. "A thick, rock-hard mast just plowing me with intensity will get me soaring!"

Keeping her eyes on the prize, this natural beauty hits her stride and soon her pussy juice is dripping everywhere. "That is just what I needed," Cassandra reflects, "but don't be fooled. I'm always ready for more!" ♣

ANITA, SABBY & CHOKY

SHE NEEDED MORE & GOT IT...

“I’ve been living in the building for all this time, and you never invited me over to party,” Anita pouts, walking over to Choky and Sabby. “Just because I live a quiet life doesn’t mean I don’t want to have fun.”

Patting both men’s growing crotches, she humps against them, kissing their wet flesh until her hands are full of their growing meat. Anita moves to her knees and blows the guys, keeping a steady hand on Choky’s rock-hard rod, while her enticing, full lips wrap around the shaft of Sabby’s stick.

Getting more turned on by the minute by her own oral actions, Anita’s pussy juice begins to flow like a river. As the boys move the attention to her, Choky bends down so Anita can continue inhaling his pole, and just as her new friend’s balls are tapping against her chin, Sabby’s sword is plunging into her slippery depth—getting sucked in by her tight tunnel.

As Sabby’s pounding grows harder, it helps get Choky even further down her throat, but just as his rod is dripping with pre-cum and her silky saliva, Sabby moves to her back and lifts her up with her puckering butthole ready for the taking.

“Oh, fuck, boys! I want you in my ass! I want to have both of you fill me!” Anita whimpers in delight, while Sabby starts thrusting his billowy bulb in her cramped crinkle.

“See what fun I can be, guys?” She says, being the meat in a man sandwich. “If you invited me sooner, we could’ve had this fun all along!” ♣

ANAL SEX 101

WITH MADDY O'REILLY

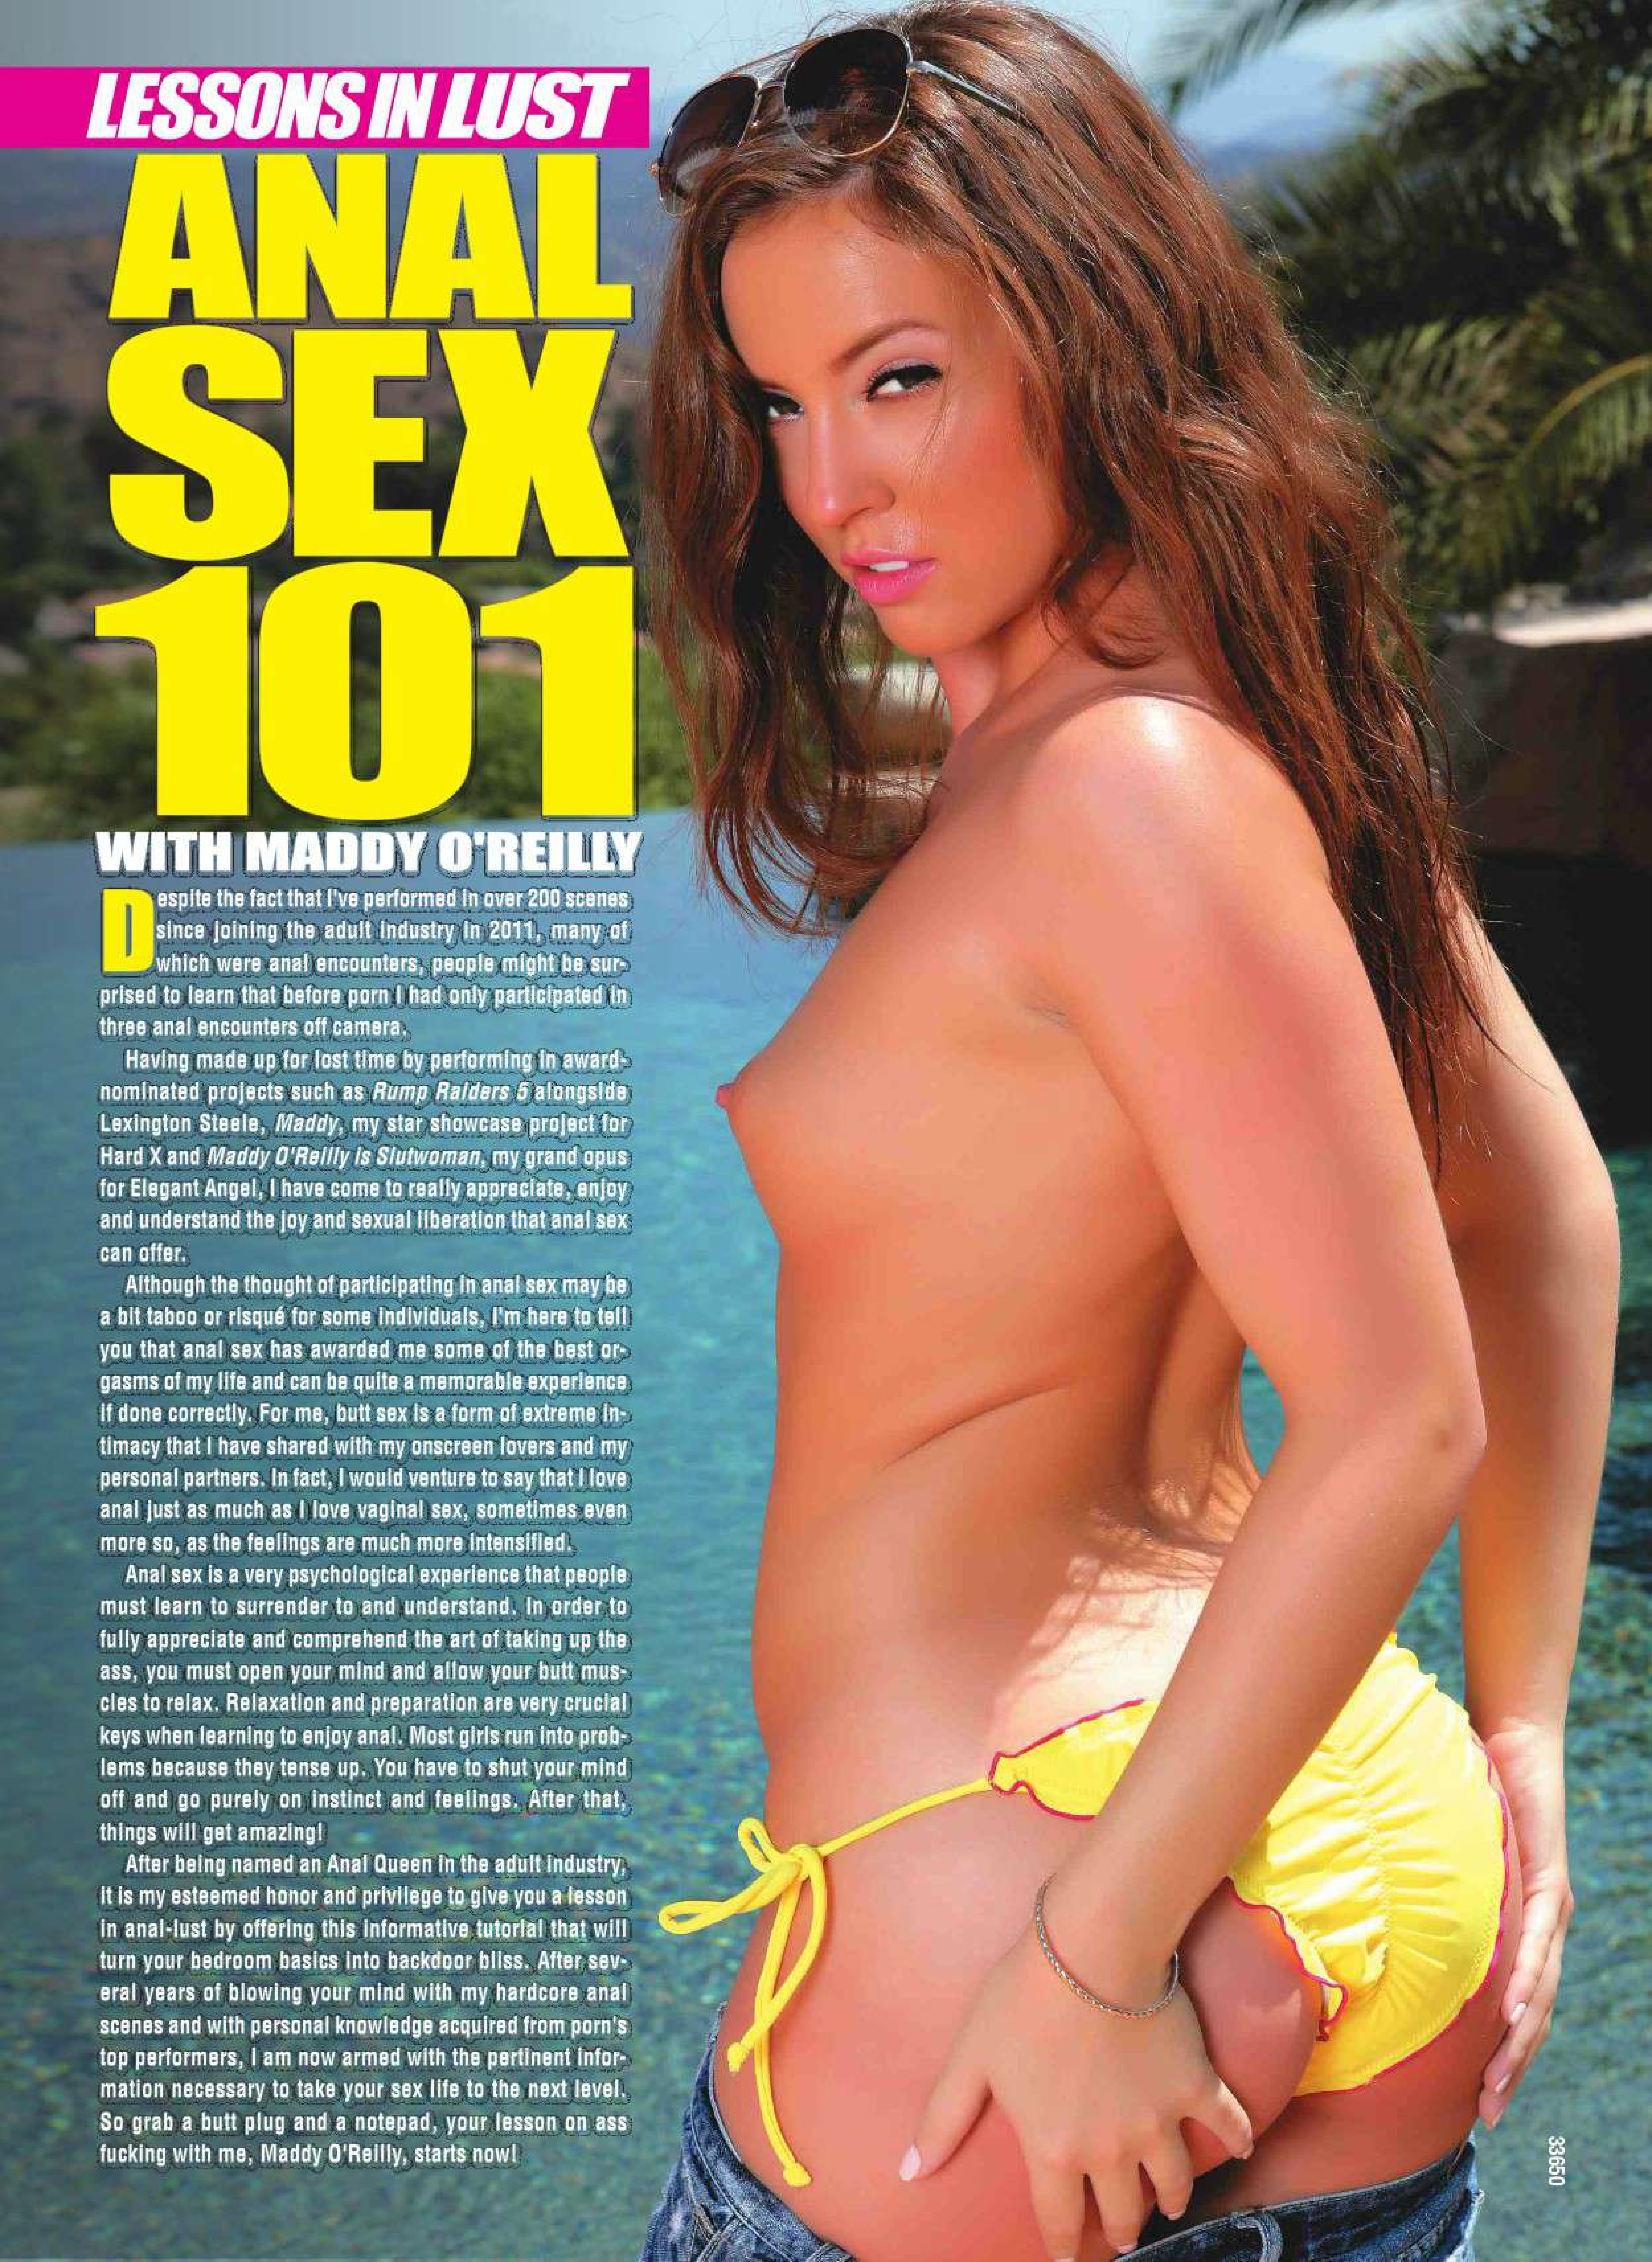
Despite the fact that I've performed in over 200 scenes since joining the adult industry in 2011, many of which were anal encounters, people might be surprised to learn that before porn I had only participated in three anal encounters off camera.

Having made up for lost time by performing in award-nominated projects such as *Rump Raiders 5* alongside Lexington Steele, *Maddy*, my star showcase project for Hard X and *Maddy O'Reilly Is Slutwoman*, my grand opus for Elegant Angel, I have come to really appreciate, enjoy and understand the joy and sexual liberation that anal sex can offer.

Although the thought of participating in anal sex may be a bit taboo or risqué for some individuals, I'm here to tell you that anal sex has awarded me some of the best orgasms of my life and can be quite a memorable experience if done correctly. For me, butt sex is a form of extreme intimacy that I have shared with my onscreen lovers and my personal partners. In fact, I would venture to say that I love anal just as much as I love vaginal sex, sometimes even more so, as the feelings are much more intensified.

Anal sex is a very psychological experience that people must learn to surrender to and understand. In order to fully appreciate and comprehend the art of taking up the ass, you must open your mind and allow your butt muscles to relax. Relaxation and preparation are very crucial keys when learning to enjoy anal. Most girls run into problems because they tense up. You have to shut your mind off and go purely on instinct and feelings. After that, things will get amazing!

After being named an Anal Queen in the adult industry, it is my esteemed honor and privilege to give you a lesson in anal-lust by offering this informative tutorial that will turn your bedroom basics into backdoor bliss. After several years of blowing your mind with my hardcore anal scenes and with personal knowledge acquired from porn's top performers, I am now armed with the pertinent information necessary to take your sex life to the next level. So grab a butt plug and a notepad, your lesson on ass fucking with me, Maddy O'Reilly, starts now!



Fact vs. Fiction

First, it's time to clear up a few misconceptions regarding anal sex, since a huge factor in enjoying it is obtaining a level of comfort, trust and relaxation with yourself and with your partner. Now, it is often thought that engaging in too much anal sex will compromise your anal muscles, thus hindering your ability to release and function normally in the future. This is simply not the case, unless you are taking in foot-long cocks all day, every day, for years on end. Therefore, as long as you're not jabbing anacondas up your anus on a daily basis, you should be just fine. What people may also be surprised to learn is just how elastic and resilient your anus really is. In fact, your butthole is able to stretch out just as wide as your vagina and can handle quite a lot. Also with anal sex, your body may be able to take in even more cock than with vaginal sex, since there isn't the obstruction of the vaginal wall blocking the process. So, really there is no need to panic. Your asshole will be fine.

Training Ground

Although this isn't the most comfortable part of this sexy tutorial, it is a necessary and crucial step when deciding to include anal sex in your bedroom repertoire. Once you are calm, committed, get ready to unlock the door to the most intensive orgasms of your life, it's time to prepare your body for the big bang. Make sure you're clean and ready, and then let's go to the next step.

Add some lube to a small or medium sized butt-plug and the rim of your anus. Once moistened, gently massage your fingers around the rim of sphincter, gently adding fingers when you feel you are ready for some mild insertion. Now that your anus is more relaxed and warmed up, slowly glide the butt plug in your butthole. Leave it in for 30 minutes to an hour, allowing your butt muscles to adjust and relax to the feeling of being stretched open. The longer it stays in, the better. So, while your boyfriend or husband is away at work or play, start the preparation process. As soon as he walks through the door, you'll be totally ready to blow his mind.

Also, while still on the training ground, people have found dilation kits to be quite useful when deciding to participate in anal sex for the first time. The kits include several insertion tools that graduate up in size as your body becomes more accustomed to volume, length and girth. These kits can range in price and size. Asking the sex professional in your local sex shop, or educating yourself beforehand is the key when finding the dilation kit that may be right for you.

Right before you're ready for hardcore anal action, remove the butt plug. At this point, you're good to go!

Action

Finally, it's time for anal action! Starting things off by implementing fingers, tongue and the use of small toys will be a great way of building anticipation when deciding to try out anal sex together. Creating a sexy dialogue between the two of you and adding in a bit of foreplay into the mix may help loosen her up and generate that naughty spark that helps propel you both to the next level.

Now gentlemen, it is absolutely crucial to allow your partner complete control over the first position. She may still be a bit nervous and will need to take things slowly and at her own pace. Respect this. Honor this. Don't rush her. In this instance, choose to be a glider and not a rammer. Refrain from power fucking, for now. If you do things correctly the first time, the power fucking will certainly come later. At this point, you are simply a cock prop for her sexual enjoyment. Relax, lie back and allow her to take the lead. Let her manage the action and have complete control until she's ready to hand over the power to you. When she's ready, slowly tease the rim of her anus with your cock before inserting it inside. Trust me, that if you let her handle the situation at her own pace, then the chances of you butt fucking her again in the future will be multiplied!

Favorable First-Time Positions

After you are well lubricated, with either spit or water-based lube, it's time to get things going. A good first position for beginners is cowgirl or reverse cowgirl position. While on top, the female has complete control over the penetrative action and the momentum of the encounter. Girls, when it's going in for the first time, relax your ass muscles and try gently pushing outward to help open yourself up. Allow him to enter your body slowly. This will help guide him inside. Use those Kegel exercises to your advantage by taking your time. Rubbing your clit for added stimulation also helps. As your body starts feeling excited, your holes naturally lubricate and open. For all intensive purposes, take all the time you need, until you are ready for action that is more rigorous. Another good position for starters is spoon because it enables you slowly to back up onto his dick.

Also, a strong word of caution, please stay away from any type of lubrication or solution that numbs your body. The use of these products could prove extremely dangerous because you won't be able to accurately gauge if you are experiencing pain, tearing, or discomfort of any kind. And, besides, the whole point of anal sex is to enjoy it. If you don't want to have anal sex, then please don't do it. Never feel pressured to engage in something that doesn't feel right to you, no matter what anyone says.

Anal sex is about breaking boundaries, exploring the entire spectrum of your body's capabilities. It's awesome experiencing your body and your sexuality in a whole new way. Once anal sex is added to your sexual repertoire, you'll experience firsthand the sexual pleasures and heightened orgasms that await you and your partner. Actually, don't be surprised if it becomes your new addiction, as it has become one of mine. Yes, it is that good!

Pleasure Principle

The last and final step is simply to enjoy yourself. Anal sex can be quite sensational when done correctly and with care. I'd venture to say, it's likely to become a bedroom favorite once you've grown accustomed to it due to the powerful, lingering orgasms it produces and the overall feeling of naughtiness that surrounds it.

Now that you have been properly educated about the correct methods and the art of anal sex, I'm sure you'll be performing like a porn star in no time. So once again, relax, don't skip any steps, ease into action, and let your anal orgasms explode.

My final recommendation is to pop in one of my hardcore anal movies and allow me to fuck right alongside you. Now, what are you waiting for? It's time to go out there and tap some ass!

MIA MALKOVA & NICOLE ANISTON

XXX SUPERSTARS SHINE TOGETHER...

Knowing exactly how to win her gal pal over, Nicole teases Mia with light kisses and licks everywhere. Mia begins diddling her clittle, as her friend looks on taking the lead and doing the same to herself.

The more Mia moans, the more it echoes in Nicole's pussy. "Fuck, I think you're gonna make me cum," she says.

Mia turns her attention to Nicole's nub, and soon she's starting to gush as well. Teasing her a bit, Mia starts to graze against her impatient hole, and when she finally impales her with a toy, she immediately begins to quake, letting her crystal cream seep down her legs and onto the plastic cock.

Coming down from her fierce burst, Nicole admits, "I've been wanting you for a long time, and it's good to get what you want."♣

RUMP RAIDERS 6

STARRING: **AMIRAH ADARA, MADELYN MONROE, DAKOTA SKYE, MANDY MUSE, MANUEL FERRARA, MICK BLUE, JAMES DEEN**
DIRECTED BY: **CHRIS STREAMS**
AVAILABLE FROM:
THE ASS FACTORY

Hardcore, heart pounding and hot, director Chris Streams accomplishes the incredible task of gathering up four anal princesses in the hopes of making them queens in the sixth installment to his popular series. With over two hours of raw coverage, be prepared for an all-anal project that catapults butt sex to the next level!

Newcomer, Amirah Adara begins by bouncing her ass up and down in a pool. This soon leads to sexy body worshiping and a make-out session when Manuel Ferrara comes over to play. Afterwards, she delivers a slippery blowjob and offers a few pussy insertions to sweeten the pot. Later, Amirah succumbs to some serious rectal reaming when Manuel goes digging for buried treasure deep inside her bunghole.

As things move forward, we find James Deen with Madelyn Monroe in his usual style. Madelyn gives as hard as she is getting, later astounding him with a balls-deep BJ that makes his toes curl. Once orally satiated, Madelyn buckles in half, allowing James to rearrange her ass before savoring his salty finish.

Next, we find Dakota Skye walking up a bank of stairs, showing off her pin-thin body. Soon, she's met by Mick Blue, who can't wait to tear into her tight tushy. After ample foreplay and plenty of hot oral action ensues, Mick impales her anus with his Austrian anchor, causing Dakota's butt to bubble over.

Mandy Muse ends the experience with a booty clapping session that will make your head roll. Equally impressed with her hot anal antics is Manuel. Up to bat once again, Mr. Ferrara really knocks it out of the park, especially when splitting Mandy in two while hammering her hole in a reverse cowgirl. Homerun! ♣♣♣♣

THAT ASS IN YOGA PANTS 3

STARRING: **MADDY O'REILLY, CLAIRE ROBBINS, JESSA RHODES, KARA PRICE, DERRICK PIERCE, WILL POWERS, MARK WOOD, BILL BAILEY**
DIRECTED BY: **MIKE QUASAR**
AVAILABLE FROM:
ZERO TOLERANCE

Offering the perfect blend of stretch and sleaze, director Mike Quasar really gets the balance right with the third installment of his critically acclaimed franchise that gives new meaning to the term downward dog. With a crop of A-List starlets and plenty of bending bodies and blooming asses, this is one workout session you won't mind sweating along to!

In what we could consider the spotlight scene of the production, Maddy O'Reilly ignites in a pair of hot pink yoga pants that showing off her delectable, ever-growing derriere. After sliding in and out of hot yoga poses, Bill Bailey comes in to assist. Soon, Maddy is milling her strawberry muff on his face before allowing her booty to clap in an outstanding doggie display that will leave you drooling. It's a temperature rising scene, for sure.

Afterwards, we find Claire Robbins contorting her naturally curvy body into intricate yoga poses. Derrick Pierce joins the scene and gets right to work by licking up her big booty. After paying homage to her hinny, Derrick plows through her noticeably wet pussy in several positions, including a hot spoon arrangement that eventually drains his balls dry.

Meanwhile, Jessa Rhodes is undergoing a major stretch session of her own when Will comes over to test her flexibility. With her pretty mouth and pussy lips wrapped around his cock, it's awesome watching this blonde beauty exercise her lovely sex holes. Giving us a thorough glimpse of her tight ass in doggie position is simply icing on this delicious porno pie.

Last, but certainly not least, we find Kara Price gnawing on Mark Wood's wang like a cat tearing apart a chicken bone. With expert chemistry and plenty of pounding, nothing beats the sight of Kara's peachy ass! ♣♣♣♣

STAYING IN 3

STARRING: **NADIA STYLES, PAISLEY PARKER, PARIS LINCOLN, MARILYN MOORE, MARK WOOD, WILL POWERS, MARCO BANDERAS, TOMMY PISTOL**
DIRECTED BY: **MIKE QUASAR**
AVAILABLE FROM:
THIRD DEGREE FILMS

All of the bases are smothered and covered in director Mick Quasar's all-sex offering that is full of hot girls getting pumped full of heavy cream. With sexy tease sessions to begin each tryst, loads of hardcore coverage, and plenty of homemade icing, be prepared to lick your chops as these dirty debutants decide to keep it all inside!

Cover babe Nadia Styles is the bell of the ball when she playfully teases the camera and Marco Banderas with her brown eyes, jumbo tits and thick pussy. After worshiping her bubble butt, Marco treats her to plenty of cock, churning out the most milk in doggie before offering her a protein-packed finale.

From here, we find Marilyn Moore trying to prove that she's a very bad girl. Although she looks like the proverbial girl-next door, things really begin heating up the moment Will Powers comes into view. Devouring the cutely awkward blonde, Will slams his cock into position, working up some serious ball and beaver balm when stuffing her hole in missionary. Also quite entertaining is Marilyn's energetic blowjob session that includes her mouth full of metal braces!

Next, we find Mark Wood thrusting and busting once he gets his paws on newcomer Paisley Parker. Fucking and sucking in equal measure, Paisley brings her A-Game when knocking boots with her much older lover. Demonstrating high-octane energy throughout, expect fireworks, especially when Paisley is pounded in a languid doggie spread.

In the end, Tommy Pistol has a blast devouring Paris Lincoln from top to bottom. After rewarding his sexual skills with an intensive blowjob, Paris serves up plenty of her wet wanton. After much more pipe is laid down, Paris succumbs to a pussy full of Tommy's warm milk. ♣♣♣

MANUEL CREAMPIES THEIR ASSES 2

STARRING: **JYNX MAZE, AMIRAH ADARA, KLARA GOLD, AIDRA FOX, MANUEL FERRARA**
DIRECTED BY: **LENSMAN**
AVAILABLE FROM:
JULES JORDAN VIDEO

Well, there are no surprises to be had here, folks! Manuel Ferrara comes in, kills it with unbelievable bouts of delicious sex, and then pumps four porn star asses with pints of his population pudding. It's a deliciously simple recipe that is full of heart, soul and plenty of Manuel's special sauce.

Aidra Fox begins by soaking and teasing in an actual milk bath. As her beautiful parts pop up from the bath, we're instantly smitten with the natural beauty. Up for the Manuel challenge, Aidra gladly offers him all three of her sultry holes. After spending ample time with each, Manuel ups the ante by completely conquering her anus. It's an incredible opener!

And, since no anal-centered movie would be complete without Jynx Maze, she's here in all of her glory. Beginning by sucking a dildo that is attached to a mannequin, Jynx is already on fire. Although things are already hot at this point, they begin boiling over the moment this Latina collides with the Frenchman. With insurmountable amounts of passion, the best is achieved when Jynx takes the reigns in cowgirl position. OMFG!

Next, we find Klara Gold, a full-figured hottie, silhouetted against a scarlet background. When she's brought to light, her thick ass and curvaceous hips dazzle us. Going toe-to-toe with the babe, Manuel makes this anal kitten purr when fucking her up from the butt.

Amirah Adara ends the show by showing off a black thong that is wedged up the crack of her ass. After playfully teasing the camera, Amirah sucks on a rainbow-colored candy dildo before switching her sights over to Manuel's thick cock. As the deep anal drilling ensues, Manuel is so far up Amirah's ass that it becomes nearly impossible for the tart to squeeze out a single drop. ♣♣♣♣

AMIA MILEY

TAKE HER FOR A SPIN...

Sexy hardcore spinner Amia Miley is what wet dreams are made of. Cocks are clamoring all over the world for this petite piece of ass.

Amia is turned on during her shoot, and is soon pinching her hot nipple. Moving her hands down to her tight, tanned body, she feels her pussy constrict as her fingers move south of her belly button.

Looking around, she notices that the photographer is getting hard at the sight of her hotness and she just wants to make him burst in his pants. The more she thinks about how hard he is getting, the more she strums her slit. She smiles when she grazes her fingers against her cupcake, and licks her digits clean of the dollop of cream that is already oozing from her hungry hole.

As her pussy juice flows like the water that is finally taking her in the right direction, her fingers find its way into her cunning cave, inserting her dewy feeler deeper inside her velvety walls. The very second she imagines grinding up the photogs prick, she begins to lightly quiver, and once her fleshy hook presses against her G Spot, her fresh waters flow through her honey pot, causing carnal waves to crash through the spaces between her fingers. ♣

Every year, American families open their homes to students from all around the world. Living with the host family for either a semester or an entire academic year, the student hopes to learn valuable life lessons and more about our culture through their assimilation with the American way. In return, the host family succumbs to the same cultural impact and possible financial benefit when such an arrangement is made.

Although this sounds like a winning proposition for both participants, what happens when the lessons these lovely foreigners want to learn are lessons of love and lust? Is it our patriotic duty to keep up foreign relations by showing these *Exchange Students* what America is made of? Well, according to famed director Jim Powers and the fine folks at Smash Pictures, the answer to that question is YES!

Today, we've been cordially invited inside the homes of such dedicated Americans to witness these fantastic foreigners in action. With five sexy students to choose from, spanning all corners of the globe, including China and Bosnia, expect to find a student body that you want to sink your teeth into!

Alina Li, an 18-year-old, Chinese immigrant, begins the show by taking selfies of her statuesque body while strutting around the Santa Monica Pier in her proper school uniform. Looking like a walking felony in a sexy pleated skirt, stark white blouse, and argyle socks, Alina Li is definitely the type of pupil that people want to get their dirty little hands on.

Watching her energetically prance around, Tyler Nixon can't wait for the perfect opportunity to make contact. When he sees her having trouble with a particular pose, he steps in and flirts, "May I help you by snapping some pictures?"

With a sexy, upturned smile and cute black-rimmed glasses, Alina happily agrees. For the next few minutes, the dynamic duo continues taking random shots as Alina becomes more playful. In time, Alina begins waving up the corners of her skirt, giving Tyler glimpses of her white thong panties and rounded butt cheeks.

"How about I drop you off at home," he later interjects, eager to strike while Alina's iron is hot! Happily agreeing again, Alina gives him the grand tour of the opulent home her host parents have provided. Leading him up to the master suite, Alina crawls across the bed like a sexy spider, urging Tyler to join her for a snuggle.

Without wasting time, Alina slithers down his body, ingesting his snake in several greedy gulps that make his cock and balls drip with her warm saliva. Speaking in her native Mandarin tongue throughout, the room grows increasingly enamored by Alina's overtly sexual style and masterful methods at handling an American cock.

Returning the favor, Tyler later parks between her pin-thin legs, sinking his teeth into her soggy thong panties before peeling them down her legs to get a mouthful of her juicy wanton. Once her soy sauce begins trickling down her inner thighs, Tyler lays down some serious pipe in doggie, missionary and spoon position, working his Chinese cherub into a frothy finale!

Next, we find Nadia Capri, an 18-year-old Bosnian student, dancing around her sponsor family's kitchen, wearing nothing but an apron and a smile. Preparing what she refers to as a "lover's stew," Nadia happily adds chopped vegetables to the pot, while dancing and swaying her curvy hips. With her long dark hair, swaying across her back, Nadia looks exotic and very beautiful.

Watching her every move, Seth Gamble, one of her American hosts, stands behind the pantry door, salivating over the sight of her bubble butt and squishy tits that are capped with chocolate colored nipples. Eventually, he steps in and makes his move by charming, "Is that how they cook in Bosnia?"

Sexily playing along after seeing the big boner bulge in his pants, Nadia begins kissing his neck and stroking the lump in his pants. Looking up at him, with incredibly sexy gapped teeth and dark brown eyes, Nadia purrs, "I'll show you exactly how we Bosnians like to cook." Game on!

Continuing her descent down his body, Nadia kisses his stomach and rounds her hands around his ass for a little squeeze before uncoiling his cock down her throat. Energetically engulfing his dick as if Seth were providing her with her last supper, Nadia wedges his wang between her tonsils and spirals her tongue around his shaft. Completely surprised by her incredible oral acumen, Seth soon realizes that this isn't the time to fuck around. He must maintain laser sharp focus or else suffer the fate of cumming too soon, which is not a good look for any red-blooded American!

In time, these two make their way to her bedroom, crashing down against her hot pink bed sheets like fallen trees. Tearing into one another with reckless abandon, clothes begin flying in all directions. Soon, Seth settles between her legs, filling his face up with as much pussy as he can muster.

Once she's good and gooey, she leaps atop his lap in reverse cowgirl, pumping her pussy until she begins spilling over with splashes of her special Bosnian broth. Their display is nothing short of brilliant!

As the story moves forward, we find college coed Natalia Starr, a hot Polish immigrant, seducing Richie Calhoun. Trying his best to maintain professionalism, it becomes progressively difficult not to give in to his primal urges once Natalia rests her pair of naturally gorgeous tits on her wooden desk. Feeling a little hot under the collar, Richie squirms in his seat. With his heart pounding out of his chest, he tries peeling his eyes away from her pretty pink nipples and the supple look of her peach-scented skin. Finally, he clears his throat and says, "May I help you, Natalia?"

Knowing she has him right where she wants him, Natalia rises from her seat and slowly makes her way to his desk, removing pieces of her clothing as she draws near. Once these two are face-to-face, Richie grabs Natalia by the crown of her golden hair and samples the inside of her candy mouth with his tongue.

Hungry for a deeper taste of this blonde beauty, Richie arranges Natalia on top of his desk, opening up her legs so that they flay out on either side. Taking a seat in his stately chair, Richie rolls into action, literally, mounting his face into her sopping wet center. Lapping up her hot spot with audible licks and slurps, the room quickly fills up with the sweet sound of Natalia's wet meat. Once Richie has had his fill of tongue and finger fun, he unzips his cock from his pants and fills her up with his all-beef, American kielbasa. Slipping right into position, with minimal effort, it becomes quite clear that this Polish princess is used to being porked to perfection.

"Give me more," she screams in her native tongue, urging Richie to go harder and deeper. Answering her call of booty, Richie spins her around and continues keeping up his foreign relations by splicing her pussy in standing doggie. After plenty of pussy pounding ensues, Richie sets Natalia up on her hands and knees, eventually using her pretty face for target practice. Bull's eye!

In the final scene witnessed, Logan Pierce mistakenly walks in on Penelope Stone, an exchange student from Israel, when he returns home from his visit abroad. Momentarily forgetting about her arrival, Logan is very apologetic about his intrusion, but is also very turned on by her perky breasts and colorfully inked skin. After some playful banter between

Selma Sins & Cody Sky

Penelope Stone
& Logan Pierce

the two ensues, Penelope says to Logan, "I feel so bad for taking your bed. You can have it back."

Being a true American gentleman, Logan respectfully declines and insists that he will sleep on the lumpy couch. Quick to come up with a new arrangement that would suit both of their needs, Penelope smirks, "Or, we can share the bed."

Down for some nocturnal nookie, the two bed buddies nestle in underneath the covers. In a matter of moments, Penelope turns quite frisky and begins jerking on Logan's joint under the sheets. With his cock now growing in her grip, Penelope continues working her magic with her hands, causing Logan's toes to curl and his balls to tighten.

Ready to take things to the next level, Logan devours her pussy and nibbles on her asshole before placing her on his lap to ride out his cock in cowgirl position. Energetically bucking her hips up and down, Penelope gives Logan her all. In time, a frothy ring of pussy pulp begins forming around their crotch and her chest begins to redden. A few more pumps thereafter, Penelope begins spewing with orgasmic delight. Right as Penelope is riding the O train, Logan takes control from underneath and begins pounding her pussy with even more fury, ensuring that she's taken for a longer ride. After several more minutes of intensive pounding elapses, Logan pulls out and spays this Israeli angel with plenty of his American-made milk 'n honey.

Despite the fact that our time on set ends here, we're happy to report that an additional scene starring Selma Sins, a caliente Spanish babe, and Cody Sky, still remains. With *Exchange Students* this hot and foreign relations at an all time high, the only thing left for you to do is open up your home and be prepared to show these sexy students your American pride! ♣

GIRLS NIGHT IN

RISKY BUSINESS

GIRLS NIGHT IN

Not only is my neighbor Francine a smoking-hot babe, but she's one of the most successful women I know. Like most career women, she's almost too busy to have a social life. But one night, about a month ago, I discovered something else about her, not to mention about myself.

We ran into each other in the hallway of our building, and we both laughed when we learned that we'd both had our dates cancel on us that night. "Why don't you and I hang out tonight?" I said. "We'll pop some popcorn, watch a chick flick and get drunk on wine. What do you say?"

"Sounds like a date," she responded.

Later that night, we were sitting on the couch when Francine frowned and stiffly rolled her head around as if she had a crick in her neck.

"Here, let me help with that," I offered, getting behind her and massaging the tense muscles of her neck and shoulders.

They relaxed and she moaned softly. Then, to my surprise, she caught one of my hands in hers and kissed it. When I didn't pull away, she languidly ran her tongue along my fingers and then sucked them one by one.

A sudden wave of desire crashed over me. I must've made a sound, because she looked up at me. Her eyes glinted with unmistakable lust, and I've no doubt that mine looked much the same.

"Wow. I guess it has been a long time for me," she said, dazzling me with her smile.

At a loss for words, I simply gulped and nodded dumbly, which made her giggle.

I smiled and then bashfully looked down. Francine pulled me back onto the couch, and her mouth covered mine just like that. When she offered me her moist little tongue I accepted it. Then I mustered the nerve to slide my hands down her back to her cushiony ass, which I squeezed.

Then she took my hands and placed them squarely on her tits. I squeezed them, giggling at my own growing boldness. I hadn't fooled around with another girl since college, but I guess it was like riding a bicycle.

I unbuttoned her top and slipped my hands inside of it, finding her braless. I couldn't believe it: I woke up that morning a fully functioning heterosexual, and now here I was feeling up another woman's tits as we swapped spit.

The next thing I knew, I was sucking on them, cramming as much into my mouth as I could fit. Francine cradled my head to her bosom and groaned, briskly rubbing my crotch as I nursed away at her breasts. The friction was divine, spurring me on.

Once we were both naked, I pounced on her and gleefully felt her up at my leisure, picking up where I'd left off back in college.

She eagerly parted her legs when my hands delved between them, and I felt my own pulse escalating, as I got better acquainted with her pussy. It was already wet, but in a matter of mere moments it became like Niagara Falls.

I caught the scent of her musk and promptly closed in on the source, sliding my hands up to her heaving tits as I started lapping at her twat, dragging the flat of my tongue up and down in broad sweeps.

Soon I had her hyperventilating, struggling to keep quiet as I took to tongue-fucking her as hard as possible. I was driving my tongue all the way inside of her on each thrust, and I got her so worked up that she started whipping her head from side to side.

Before all was said and done, she'd clamped her thighs against my cheeks, holding me in a death-grip as I pigged out on her cunt. When I started rubbing her unhooded clit while tongue-fucking her, I was rewarded with an outpouring of vaginal secretions — her delicious juices streaming down my throat as swiftly as I could swallow them.

As soon as she recovered from her orgasm, she sat bolt upright and hugged me, cramming her long tongue into my mouth. It was my pleasure to suck on it as she felt up my tits, squeezing hard as I sucked her tongue like a dick.

After a while, she got down and attacked my pussy, proceeding to eat me out with a vigor that totally bowled me over.

I fell onto my back and watched her go off on my twat. She immediately stuffed three fingers all the way into my poon and sucked on my clit while finger-fucking me. Then she added a digit all the way up my butthole, which was a first for me.

She ate me out through one of the most intense climaxes of my entire life. It was made even hotter by seeing Francine's gorgeous face between them as she wantonly drank my juice.

Ever since then, Francine and I don't worry if our dates cancel on each other: We'll always have each other!

— Beth F., Pueblo, CO

RISKY BUSINESS

The mere existence of a man like Vince makes fidelity impossible for me. Couple that with the fact that we work together and our ongoing affair becomes a no-brainer.

Now, don't get me wrong. Believe it or not, I actually do love my husband dearly, but I also want to keep fucking Vince. The man is without a doubt the very best lover I have ever had, and that's all there is to it.

It all started when Vince and I were assigned to work on a special project together. We'd been burning the midnight oil for some time, and as we got more comfortable with each other we began to get a bit flirtatious. It was playful at first, but in the back of my mind, I knew that I was seriously attracted to this guy.

Then, on the night that we finished the project, Vince's charm wore down what little resistance I had to begin with. Everyone else had long since gone home, and as soon as we were done with work, Vince gave me the sexiest "come hither" smile I've ever seen.

Without a word, we read each other loud and clear.

He leaned back in his chair and looked me over, totally undressing me with his eyes. He loosened his tie and unbuttoned the top button of his shirt, casually saying, "Take your clothes off for me. I want to see your body."

His manner was that of someone asking to borrow a pen.

A strange silence fell. At first, I just stood there and smiled like an idiot, unsure as to whether or not he was serious. But then, almost as if my hands were acting of their own volition, I found myself actually stripping.

It was like his extreme handsomeness compelled me to obey him. I didn't really feel inhibited about it, either.

I made short work of my clothes, and there I stood, totally naked.

Vince drank in the view, and then said, "Turn around. Let's have a look at the total package." Again, I obliged.

When I faced him again, he said, "You know, I'd really love to watch you play with yourself. Let's see if you're comfortable enough with yourself to cum for me."

I splayed my labia wide and dipped two fingers where the sun doesn't shine, stirring them in swift little circles as my vaginal secretions moistened them. With my other hand, I briskly rubbed my clit with all the speed of someone trying to start a fire with a couple of twigs.

As my orgasm began to take form, I watched as Vince stood up and began to undress. He was chiseled from head to toe with rippling muscles, and the very sight of it had my pussy lubricating profusely. But it was his hard-on that caught my eye.

He brazenly withdrew my fingers and dug into my cunt, dragging his tongue through the groove of my labes, after which he nibbled on my tender pussylips while I kept rubbing my clit.

It took very little time for me to cum after he replaced my fingers with his tongue, jerking his head back and forth in order to tongue-fuck me. When he reached up and fondled my tits while chowing down on my snatch, I came like gangbusters.

Wailing, I gushed my sauce straight into his mouth, and he drank it down.

Then, as I lay staring at him down there, he wiped his mouth and flatly remarked, "Time to fuck."

With no fanfare whatsoever, he simply aligned his prick with my twat and then dropped anchor. A sharp exhalation of breath escaped my lips as he began plowing deep.

Vince looked every inch a god in human form, staring down at me with his perfect features while socking it to me. He slung my legs over his shoulder and started swinging his ass into his thrusts, each one almost knocking the wind out of me.

I started squirming and squealing, which only aroused him further. Before long, the sloshing sounds of his hard-on pistoning back and forth in my tight pussy became audible. My pussy juice was percolating, and Vince flashed me his roguish smile when he noticed it.

When my pussy cinched up around Vince's boner, I saw him hold his breath, clearly trying to stave off the inevitable. But he was a goner when he felt my juices flowing around his rod, which I'd ensnared with my strong vaginal muscles.

His eyes practically rolled up in their sockets as a brief little grunt signaled his orgasm. I reveled in the decadent sensation of having my pussy flooded with warm jism. It was awesome, and it actually left him limp, as evidenced by the way that he collapsed on top of me.

In my head, it feels wrong, but in my pussy, it feels oh-so-right!

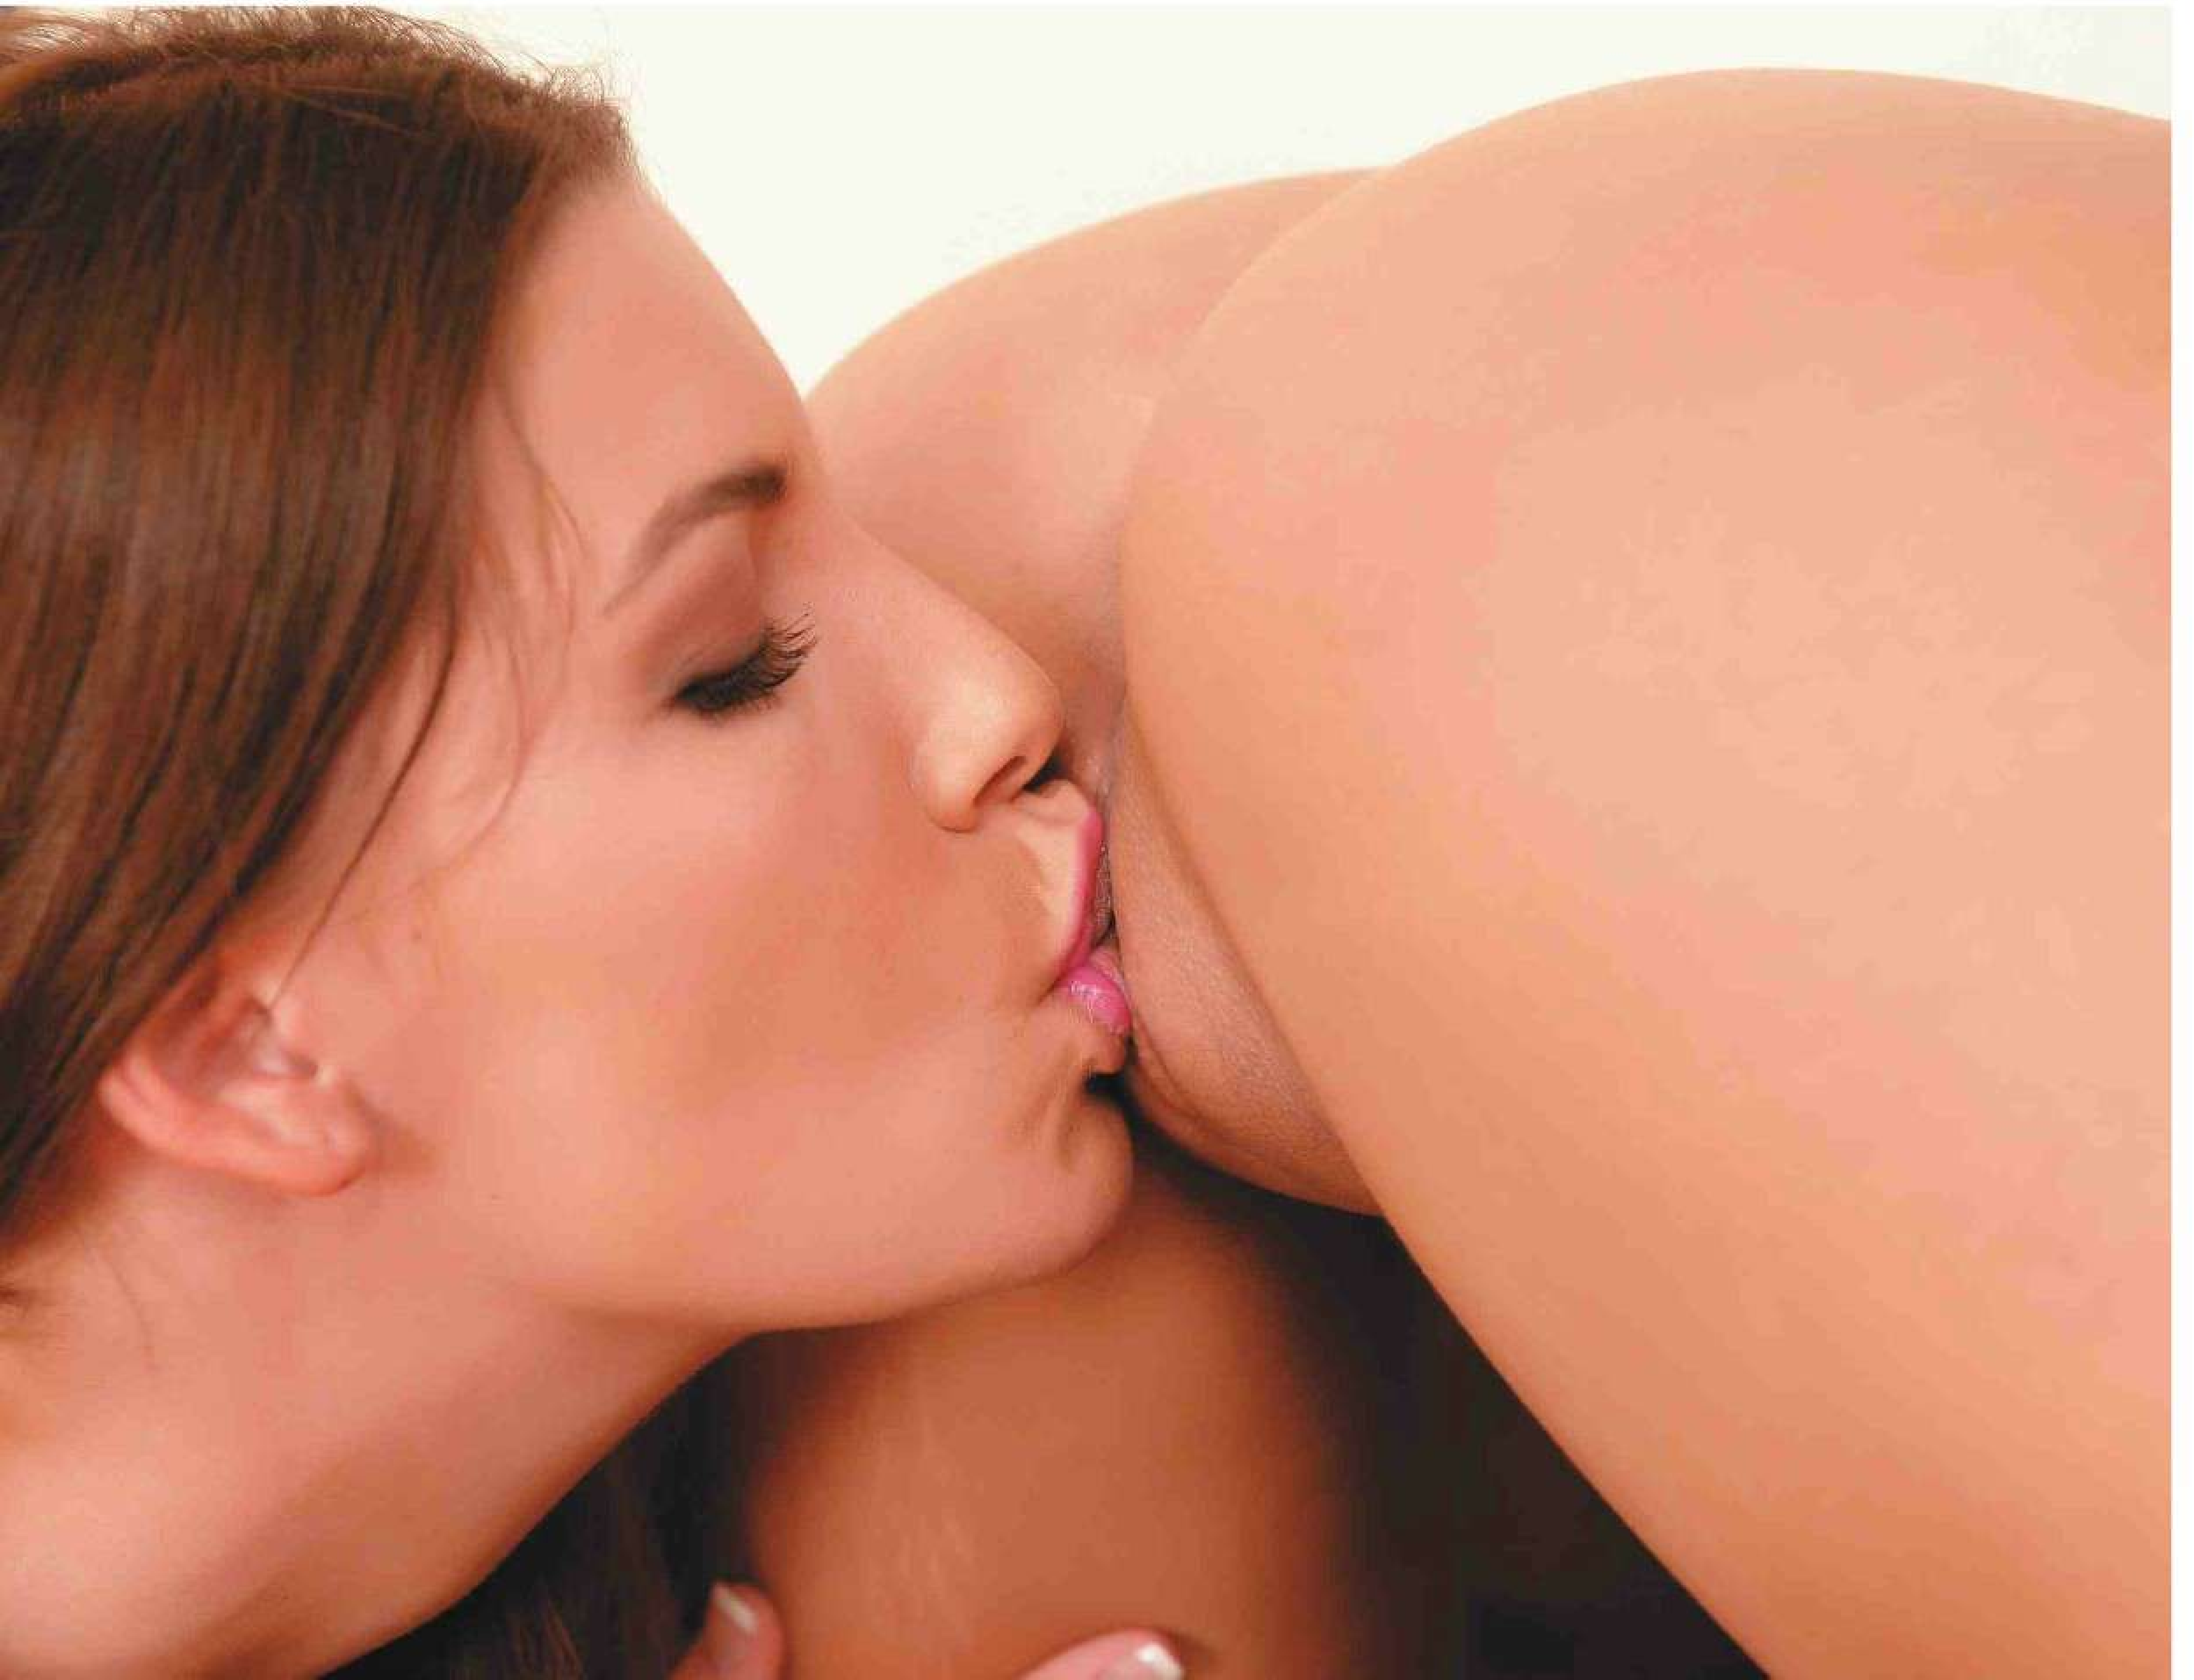
AIKO & ENNIE

PUSSY LOVIN' PAIR...

Ennie was shocked at the note that was slipped under her office door by her co-worker Aiko, wanting to meet up after work. Yet, now her pussy was growing wet at the thought of what Aiko had in mind for their rendezvous.



"I'm glad you could make it. I couldn't stop thinking of you all day," Aiko moaned. "The way you looked today made me soak through my panties. See?"

Getting on top of the table, Aiko spreads her sticky thighs apart, proving her arousal with her swollen, ruby-red nubbin. "Let's see you get a mouthful of this delicious fruit."

Ennie breathes deeply before diving into Aiko's pretty patch, filling her entire mouth with the brunette's sweet fruit. Keeping her steady as she pokes and prods her tender hole with her fierce tongue, suckling every drop of her homemade juices. As Aiko slithers—grinding up against Ennie's mondo mouth—she grabs a dildo, handing it to her friend.

Ennie doesn't have to guess what Aiko wants, and after a few licks and tender slips on Aiko's silky slit, she slips in the toy with ease, twisting it in her tight tunnel to further her impending orgasm. Soon, Aiko grabs onto the sides of the table, gushing her fruit juice into Ennie's mouth. And just like she observed before, she doesn't miss a drop of her sweet sauce. ♣

ASPHYXIA NOIR

33317

INTERVIEW BY EMMA EDWARDS.

Images Courtesy of Beyond Fucked - Smash Pictures

SHE'S THE CURRENT ALT BARBIE — A LIVING, BREATHING, HARDCORE PORN DOLL. ASPHYXIA IS A WORK OF ART, AND THIS TATTOOED PORNO PRINCESS CONSIDERS HERSELF A FUCKING ARTIST. WE CAUGHT UP WITH THE INKED-UP SEXPOT AND TALKED ABOUT EVERYTHING FROM DANCING, ASS SEX, CARTOONS AND DOCTOR WHO.

CLUB: You're a remarkably flexible performer. You definitely don't seem the cheerleader type. Did you study gymnastics or dance prior to adult?

Asphyxia Noir: It's a wonder what my body can do. I'm actually surprised myself. I wouldn't consider myself too flexible. I suppose it just depends on the day and the person who is contorting me. (Laughs)

How do you keep your body so tight?

I naturally have a very fast metabolism, which makes many women envy me. Gaining weight is not my issue. I can eat whatever I want, whenever I want, and however much I want. It just burns right through me. I don't even exercise. If I'm not working, I chilling out and watching cartoons.

What other types of shows do you enjoy watching?

Aside from watching a bunch of cartoons, I'm really into watching 'Doctor Who.' It's this awesome series that is on BBC.

You have a distinctive look that is difficult to pinpoint. What is your ethnicity?

People are really shocked to learn that I am 100% Puerto Rican, by my mother and father. I don't have the stereotypical Puerto Rican looks or build. In fact, my natural hair color is blonde. I've changed my look very dramatically. Right now, with my dark hair, I probably look more Puerto Rican than I ever have.

Does your family also have fairer skin and hair?

No! My mother has tan skin, black hair and dark brown eyes. I'm the only one that came out like this, blonde hair and green eyes. I'm definitely an anomaly in my family. Somewhere in my genes, that trait came up. Actually, I hear that having green eyes is quite rare and is actually considered to be a genetic defect.

Are you proficient in the Spanish language?

Yes, Spanish was my first language. I still speak Spanish with my mom, but do not speak it as often as I should.

Do you enjoy listening to music while you are having sex?

I usually enjoy listening to music that has a steady beat, but nothing too chaotic. Metal would definitely be a bad choice. I like to groove to a melody. Lil Wayne would be a good example. I love so many of his songs. His music is guttural and makes me feel sexy.

Currently, are you a feature dancer?

I've danced in the past and would love to feature dance again. I haven't performed in a year, but really miss it. I would love to go back once I've built up my name. I'll definitely incorporate some Lil Wayne into my routines.

Do you consider your stage shows to be performance art?

Yes, I consider my sex and my body to be art. I don't want my routines to be run-of-the-mill. I want to create a show for my audience and

give them an experience. It's a great way to incorporate the shock value of sex and acting crazy. My shows are extreme and explicit, with plenty of substance.

What characters do enjoy becoming on stage?
I have this amazing Geisha costume and routine that seems to be a real crowd pleaser. I also enjoy dressing up like a panda bear. It's super cute. But, my favorite character to become is a gothic Snow White.

When on stage, do you include the audience in your routine and welcome audience participation?
Absolutely! Other girls bring guys on stage and like to ridicule them. I never understood that mentality. I want my guys to have a good time, play with me and play along with the show I've created. It makes for a better show when every body is laughing and having a good time together. I want my fans to feel special. I already have a harsh look. I don't need to overdo it and piss anyone off by being a bitch on stage.

What is your favorite aspect about the adult industry?

Coming from a modeling background, I enjoy that aspect of the industry. I enjoy modeling, contorting my body and shaping my body. In porn, I implement a lot of my modeling techniques and poses which makes me a good and interesting performer. I know how to curve my body, no matter how much the angle may hurt. Some girls are lame. They don't want to arch their back and give good face. They forget that we are fantasies and have to look enticing. I love controlling and holding poses for long periods of time.

How has your experience with anal sex been going so far?

It's still very hard for me. I'm not going to lie. I'm still getting used to it. Slowly but surely, I will get there. It's more about stretching out. My body is so tiny and it becomes difficult for my body to take in these huge, porn cocks. Hopefully, I'm doing a good job. I think I am. Sometimes the guys show up on set, and I'm like, 'What? You're gonna stick that where?' (Laughs)

True, you're not dealing with normal sized cocks.

Porn cocks are thick, huge, monster penises.

Are you practicing at home with dilation kits?
Yes, I'm practicing at home. I use butt plugs and a dilation kit. I even have a toy that pushes my ass open. This will help me relax and build some butt muscle memory. A big part of it is breaking through that mental barrier. I'm so scared that my body tenses up. I'm getting better every day.

Do you feel a constant pressure to perform?
Yes, I always try to be the best. There are so many other girls and with my look already, it's hard enough for me. So, I have to do an even better job so people will continue hiring me. I have a certain look that is only good for certain jobs. I want to stand out for the right reasons.

What made you decide to use your body as a work of art?
I've been a model for years. I've always felt freer with my clothes off. I love using my body as an expression of erotica. Sexuality was born in me. It's a passion. I can't stop performing and using my body. I use my body to express my dreams and my interpretation of life.

What does being an 'Alt' model mean to you?
Being alternative doesn't mean that you can't be a sex symbol. You don't always have to be the quintessential blonde with big boobs to be sexy. You can be a skinny, scrawny Goth girl and still be just as sexy as the Barbie dolls. I'm the new Goth Barbie. Hopefully, I'm helping people change their view of what is sexy. People have no idea that I'm such a happy nerd. I'm really not my image. I am a super dork. I'm the living incarnation of the rule, 'Never judge a book by its cover.'

Since your body is an interpretation of your experiences, will you place a tattoo on your body that symbolizes your journey through the adult entertainment industry?
I feel like my body is complete right now. I don't feel the need to add any more onto my collection. I started with the stars on my face when I was fifteen. My kitty tattoo on my ankle is cool. I like that, but no, no more tattoos.

What performers are able to pull the dirty girl out of you?
Xander Corvus and James Deen are able to pull the naughty girl out of me. James Deen is my number one. James pulls the evil right out of me and makes me crazy. I've known James for years, even before I got into the adult industry. He's the best. If I'm being stubborn that day, he still pulls the naughty out of me. He picks me up, grabs me, stuffs me and shifts my entire mood.

Do you have any parting words for your fans?
Keep watching and staying loyal. I will try my best to never disappoint you. All I want to do is make you happy.

SUSAN & RENATO

JOIN THEIR AFTER PARTY

"Thank god we left that party early. I was about to fall asleep on the spot," Susan moans, collapsing on the hotel bed.

"I know, baby. You're always the life of the party, nobody can seem to get enough of you," Renato says, taking off his clothes.

Taking out her tits from her coral dress, she pinches her nipples and mumbles, "Mmm…correction: You can't get enough of me. You're always hungry for whatever you can get from me."

Walking to the bed—with a visible bulge straining through his dress pants—he whispers, "Well, baby, what can I get from you tonight?"

Slowly unzipping his hefty man-meat, Susan takes out his warm pole, gently licking the head until her throat becomes accustomed to his growing girth.

Finally, she hits the jackpot the moment she feels his balls rest up on her chin, giving her enough energy to pump her steamy mouth over his rock-hard cock. With his hands free and a hole empty, Renato then dips two fingers in her sweet snatch, staving off her hardcore hunger.

Just as Renato is about to get a scoopful of Susan's sweet juices, he gingerly pulls out of her mouth, leaving her starved for some meat filling. Tapping his thickness on her soaked mound, he starts to slowly fill her hot pocket until he is balls-deep inside this kinky slut.

Susan can feel that Renato is close, too, and when she bites on his neck to further spur his impending zenith, he starts to grab onto her damp thighs, spilling his frothy load into her backdoor walls. ♣
